

## Jeanneau Sun 2000

£11,950

This beautiful 21' Jeanneau Sun 2000 trailer sailer, built in 2004, has been owned and sailed by us since 2007. The Jeanneau Sun 2000 is an ideal weekender with sleeping for four in one cabin.. The swing keel reduces her draft to a mere 11"/0.3m allowing exploration of some of the shallower estuaries and bays excluded to many fixed keel boats, and with her external iron ballast underside she happily takes to the ground. This boat has been maintained to a high standard with many extras designed to make sailing her as easy as possible with all control lines returning to the cockpit. She has proved to be both a fun and fast sailing boat. Last year she completed the iconic Round the Isle of Wight race after which she safely sailed back to her home port in Suffolk.
